Add public details for customers

This information may be visible in payment statements, invoices, and receipts.

Statement descriptor

WELLORA.

Please enter "Wellora"

$20.00
WELLORA. $340.00
$63.00

Your statement descriptor shows up on your customers' bank or credit card statements. It should be 5-22 characters.

Shortened descriptor Optional

WELLORA.CO

You can leave this blank

$20.00
WELLORA.CO* T-SHIRT $340.00
$63.00

A short summary or label associated with transactions, similar to the full statement descriptor. You may provide more specific details about a charge with dynamic suffixes. When a suffix is used, it is combined with the shortened descriptor on card statements.

Know when and where you need to collect Value-added tax (VAT)

This service monitors your tax registration thresholds and tells you when, where, and how you need to start collecting VAT.

After that, we'll help you calculate and collect. When it's time to file, we've got reports to help.

Pick the primary product type you sell - this is used to make sure everything's accurate.

Digital goods
ex: software, audio books, digital photographs

Services
ex: professional services, landscaping, personal care

Physical goods
ex: clothing, medical supplies, electronics

We'll monitor your tax registration thresholds for free. Fees apply after you add a tax registration and tax is calculated on your transactions.
